^a. Any funds to satisfy Formula Current Assisted Stock litigation should be derived from additional appropriations or another source and should not be allowed to

cause harm to IHBG recipients.

^b. To Be Determined. NAIHC membership has expressed a concern about the quality of training provided by HUD contractors.

^c. Entitlement program - no appropriations needed

^d These funds are for administrative expenses to carry out the program.

** As part of the agreement between the President and bipartisan congressional leaders, all discretionary programs would be subject to an across-the-board 0.2 percent rescission.
